

**GOVERNMENT OF KIRIBATI**  
**POSITION DESCRIPTION**

1. <b>Ministry:</b> Ministry of Public Works & Utilities	3. <b>Salary Level:</b> L 5	4. <b>Division:</b> Quality Control and Inspection Unit
2. <b>Position Title:</b> Quality Control Specialist	6. <b>Direct Reports:</b> Director of Engineering Services, DES	
5.1 Director of Engineering Services 5.2 Secretary for Ministry of Public Works and Utilities	7. <b>Primary Objective of the Position:</b> The primary objective of the position is to ensure that all building and civil infrastructure development proposals and projects comply with the National Building Code of Kiribati, Kiribati Building Act 2006, Highway Authority Act, Environmental Act 1999 and other relevant Kiribati regulations. It is also the role of the incumbent to review the existing engineering standards and systems and initiate changes for improvements. Developing new standards that are relevant to Kiribati context to improve and benchmark any engineering design and construction work are also the primary objectives of the position. As the incumbent is responsible for looking after the Quality Control and Inspection Unit, it is a mandatory requirement that he/she organizes, plans, formulates and reviews the divisional operational plan of the unit to ensure that the work performed by staff of the unit complements MPWU's strategic plan and the Government's plan. Monitoring staff's performances is also the key objective of the role to ensure that the developed plans are implemented accordingly to accomplish the Unit's and the Ministry's objectives.	
8. <b>Position Overview:</b> The incumbent is required to ensure that the Quality Control and Inspection Unit is operating within its annual budget, accomplish its established targets and deliver efficient, transparent and high quality services to the public.		
9. <b>Financial:</b> The incumbent has a control over the following financial sub headings under the Quality Control and Inspection Unit's budget allocation, E2707: <ul style="list-style-type: none"> <li>• 206 - Temporary Assistance;</li> <li>• 216 - Internal Travel;</li> <li>• 217 - Local Training Costs;</li> <li>• 218 - Local Accommodation &amp; allowances;</li> <li>• 240 - Printing;</li> <li>• 241 - Stationery and supplies;</li> <li>• 243 - Purchase of Office Equipment;</li> <li>• 244 - Repairs of Equipment;</li> </ul>	10. <b>Legal:</b> a. Under the Building Act 2006 Section 20 subsection 1, 2, 3 & 4, the incumbent was assigned by the Vice President and Minister for Public Works and Utilities on 21 <sup>st</sup> February, 2017 to act as a Building Inspector. All legal powers of the Building Inspector stipulated in the Building Act are to be exercised by the incumbent. The incumbent is also protected under the Building Act 2006. b. National Building Code of Kiribati - Under the Building Act the incumbent is bound to ensure that all building design and construction work comply with the Building Code.	

*This is position description provides a comprehensive, but not exhaustive, outline of the key activities of the role. It is an expectation that you may be required to perform additional duties as required.*
