

REQUEST FOR EXPRESSION OF INTEREST (REOI)

Project: Building Capacity in Urban Sector through differentiated Approaches- National Project Officer-Water and Sanitation (55066-001)

Objective and Purpose of Assignment

The Water and Sanitation Engineering Division (WSED) of the Ministry of Infrastructure and Sustainable Energy (MISE) has an oversight role for a number of on-going donor-funded water and sanitation-projects. This includes the administration and management during the planning, implementation, operation and maintenance of water and sanitation projects.

The objective of this assignment is to strengthen the project management capacity of the MISE Water and Sanitation Engineering Division.

Scope of Work and Duration of Assignment

Provide day to day guidance and capacity building to the water and sanitation unit to support their role on project management and related engineering aspects for the South Tarawa Water Supply and Sanitation Projects and other related projects under the Water and Sanitation Engineering Division.

The initial assignment duration is 330 working days inputs and may be extended by mutual agreement subject to satisfactory performance of consultant by MISE two months prior to expiry of contract.

Detailed Tasks and/or Expected Outputs

The Terms of Reference and expected outputs for the assignment is available or can be viewed at <https://www.adb.org/projects/55066-001/main> Tenders => National Project Officer Water and Sanitation

Minimum Qualification Requirements

- At least 5-10 years relevant supervisory and project management experience.
- Proven Experience of at least 5-10 years work experience on engineering works.
- Demonstrated ability to work closely and collaboratively with team members and proven record of achievement of increasingly responsible experience in providing technical advice to the implementation of water and sanitation projects.
- Ability to work independently and effectively within tight deadlines with limited resources,
- Demonstrated ability to liaise and communicate effectively with colleagues from different cultures.

Applications and Deadline for Submission
