The Project: South Tarawa Sanitation Project (STSP)
Ministry of Infrastructure and Sustainable Energy

The Government of the Republic of Kiribati (GOK) has received financing from the World Bank toward the cost of the **STSP** and intends to apply part of the proceeds for consulting services. The Project Development Objectives are to increase access to improved sanitation in selected areas of South Tarawa and to strengthen related institutions.

The non-consulting services (“the Services”) include the following position to support implementation of project activities.

Position	Position Requirements
1. Office Driver	<p>Essential Criteria</p> <ul style="list-style-type: none">- At least Form 3 Certificate with a valid driving license from Kiribati Land Transport Authority. Driving license Class C is an advantage.- Must have driving experience for more than 5 years with no previous convictions with proven references.- Have basic knowledge and experience in auto-mechanics. Proven reference or completion certificate from KIT is an advantage- Proven good English speaking and writing communication skills

The STSP now invites eligible individuals to indicate their interests in providing the Services.

Deadline for submission of EOIs is **2 of February, 2024**. Submission is to be emailed to Secretary Ministry of Infrastructure & Sustainable Energy, Dr Farran Redfern secretary@mise.gov.ki and copy to ttebau@mfep.gov.ki and sitaea@mfep.gov.ki bearing the Subject “**MISE STSP Driver Position**” for ease of reference.

Alternatively, hardcopies of EOIs can be hand delivered to MISE Registry by the deadline bearing the same subject.
